Embracing Comfort in Every Moment

Ellie Recliner, thoughtfully designed by Von Robinson, supports holistic well-being in healthcare environments. With soft, inviting curves and the “embrace back,” Ellie Recliner promotes comfort and dignity, while its intuitive functionality supports patients, care partners, and clinicians alike. By addressing emotional, cognitive, and physical needs, Ellie Recliner helps create spaces that nurture connection and care.

Ellie Recliner

Designed by Von Robinson

Model: ELI12A00R

31.5 W 35.5 D 46 H 23 SW 19.25 SD 20 SH 26.5 AH

Features

Durable Finish

Protea™ doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Trendelenburg Mechanism

Engaged by staff only, the mechanism activates from either side when the chair is fully reclined to 72° and pressure is applied to the back.

Optional Upholstered Arm Panels

The Upholstered Arm Panels are available and optional.

Central Locking System

Locks all four casters with a single control.

Optional Transfer Arm

An optional Transfer Arm, available on the arm opposite the Ellie Recliner's lever, can be raised and lowered for easy patient transfers.

Optional Adjustable Headrest

An adjustable headrest is available and is optional.

Inclined Footrest

The footrest tucks under the seat of the Ellie Recliner for better positioning from sit to stand.

Push Bar

The push bar aids staff in positioning the recliner, and is made with Protea.

Replaceable Components

The Ellie back, seat, continuous footrest, arm panels and caster with bumper are all replaceable components.

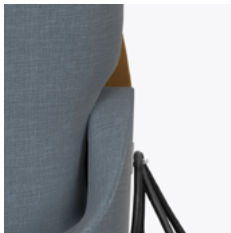

Safety Footrest

Safety footrest collapses upon overload.

Optional IV Pole Holder

An optional IV Pole Holder is available and must be attached on the side opposite the Ellie Recliner's lever.

Optional Foley Bag Hook

An optional Foley Bag Hook is available and must be added to the side opposite the Ellie Recliner's lever.

Optional Heat/Massage

Heat and Massage is an optional feature, only available if Upholstered Arm Panels are used.

Optional Tablet Table

Available as an add-on. Not compatible with the Transfer Arm option.

Optional Side Folding Table

Available as an add-on. Not compatible with the Transfer Arm option.
